

GBCA minutes: Oct 27 2025

Alex K-M, Alex M, Peter and Margaret met with Brody from the City to go through a list of repairs required at the lodge. Brody will be able to do some items immediately. Alex K-M sent the list via email. Alex M is sorting by maintenance and capital projects so we can prioritize them and add some deadlines. Then we can share with Brody, the councillor and city staff.

Lights and pathways in the park are an issue. We need to encourage people to report thefts to increase police presence in the neighbourhood.

Coun Sean Devine advocating for improvements to prevent flooding. Alex M. is receiving city updates on roads, water pipes and capital projects, accessibility

Community association should launch a poll on FB asking for priorities for the community.

Community association should ask for people to step forward as representative for each park in the neighbourhood.
